### More tax on super, but savers are winners anyway

The Australian Financial Review

Mr Clare said the headline tax rate for **super fund** earnings was 15 per cent but when tax breaks were taken into account the average rate was only about 8 per cent. "The government takes 8 per cent of the higher-than-assumed investment returns and the fund members are actually taking 92 per cent, ...

### Three Months After Harvey, Water Quality Questions Linger

Water Online (press release)

Even three months after Hurricane Harvey hit land and decimated areas of Texas, there are still questions about the water quality aftermath. In particular, as storm waters washed over so-called "**Superfund** sites," federally-designated areas containing hazardous waste, they brought unknown levels of ...

### EPA says **Superfund** Task Force left behind little paper trail

New Country 923

WASHINGTON (AP) — The Environmental Protection Agency says an internal task force appointed to revamp how the nation's most polluted sites are cleaned up generated no record of its deliberations. EPA Administrator Scott Pruitt in May announced the creation of a **Superfund** Task Force he said ...
